

After school clubs will begin October 1st!

Club space is limited. Applications will be taken on a first come, first serve basis. Your child will receive a letter the week of **September 24th** with their club assignment.

Student's name _____

Grade _____ Teacher _____

Club name and description	This club is open to the following grade levels:	This club will be meet on:
Young Entrepreneurs - Have fun while learning about business. The club will develop and deliver programs that continuously strengthen entrepreneurial education and entrepreneurial experiences. Each student will develop the following skills: critical thinking, communication, creativity, financial responsibility and the value of teamwork.	4 th grade Mrs. Lindquist, Mrs. Goldner, Mr. Stieren	Monday
Robotics – Dash robotics is a great way for students to learn to code! Students will work collaboratively with a team to solve weekly challenges using Dash robots and the Blockly programming app.	3 rd – 5 th grade Ms. Durrence & Mrs. Miller	Monday
Crazy 8's Math Club - Crazy 8s is a new after-school math club designed to get kids fired up about math. Every week Crazy 8ers build stuff, run and jump, make music, make a mess... all while bonding with new friends over math.	2 nd and 3 rd grade Mrs. Hunt	Tuesday
Crazy 8's Math Club - Crazy 8s is a new after-school math club designed to get kids fired up about math. Every week Crazy 8ers build stuff, run and jump, make music, make a mess... all while bonding with new friends over math.	4 th and 5 th grade Mrs. Armstrong & Mrs. LoCurcio	Thursday
Environmental & Recycling Club - The purpose of the club is to increase awareness of the three R's: reduce, reuse, and recycle. Environmental education is encouraged through a "hands on" approach. Each week, the students will work on an activity such as gardening, composting, or eco-crafts. Students K-2 who are interested in environmental protection are encouraged to join.	K-2 Ms. Parks & Ms. Reynolds	Thursday
Chorus	Mr. Snipe 4 th & 5 th grade	Friday
CODE Color Guard - This club will provide an opportunity to learn a variety of dance and color guard techniques. We will practice critical thinking skills, focus, fine and gross motor skills, hand-eye coordination, and stamina through fun and exciting physical activity. We will learn how to use the art of music and movement to tell stories and convey meaning. We will learn basic elements of dance as well as incorporating the use of equipment such as swing flags and ribbons. We are going to bring the Arts to life!	Mrs. Supple 3 rd – 5 th Grades K-2 will be added in January!	Friday

Please fill out the form on the back of this sheet and return to your teacher. Spaces are limited! If you are interested in more than one club, please list your first and second choices. Once spaces are filled, students will go on a waiting list. If you do not receive a letter stating you are in a club, then you are on the waiting list and will be contacted if a space opens up.
